Last Friday saw the school sporting jeans in aid of Jeans for Genes. A total of £205.08 was raised for the charity that works to improve the lives of children born with genetic illness.

May I thank all of you and your children for your contributions on the day. A special mention must go to Peri M who cut out a miniature pair of jeans for each member of Chevin to decorate, and to Dr Walwyn, who baked buns for Ria, Kai and Helen to sell.

### Gumshields

Many thanks to Mr Bedford for coming in last week to measure up for gumshields. Those children have already received theirs. If you would like your child to be fitted with one, Mr Bedford has agreed to come in on another day if there are enough names on the list. Please give your child's name to the School Office by Tuesday 12 October. Thank you.

### Head Lice

There is another case of head lice in Year 2 at the moment. Please be aware that any treatment for head lice may need to be ongoing as re-infestations do occur and constant vigilance is necessary to eradicate them. Up to date advice on treatment can be found on <http://www.nhs.uk/Conditions/Head-lice/Pages/Treatment.aspx>

### Lost Property

Molly B in 3M left her coat in ASC on Tuesday. It was taken, by mistake, by someone who left theirs. Molly's coat is named—please check your child's coat and return Molly's to her or to the office. Thank you.

## PARENTS' ASSOCIATION

Next meeting will be on Tuesday 12 October at the new time of 6.30pm.

Reminder for Second Hand Uniform Sale will be on Friday 15 October between 3.00 and 4.00pm in the Red Brick Pavilion.

Thank you to everyone for your concern. I am now well on my way to recovery after my recent operation and hope to be back to normal in the next couple of weeks.

On Saturday 2 September, I climbed Whernside, one of the three peaks in Yorkshire, 2,416 feet high. It took me one hour fifty five minutes to get up and three hours to get down. At the top I saw the Irish Sea over some hills and if it is a clear day, you can see Blackpool Tower. On the way down I took a detour because I got lost a couple of times and I also saw 52 caterpillars on the hillside. The whole walk altogether was 11 miles and my next challenge is Scafell Pike in the Lake District.

## TEAM TALK

### Cross Country

Good luck to our cross country teams that are running in the first Leeds Schools' League race of the season on Saturday at Middleton Park, which is next to the John Charles Centre for Sport.

### Results

On Wednesday 6 October, the U11A and U11B played against Moorlands. Unfortunately, the A team lost 14-4 but the B team won 10-1. Everyone played well and tried their hardest.

### Football Tournament

The annual RHS Football Tournament took place on Wednesday 6 October. RHS had two teams in the competition, both teams tried extremely hard but, unfortunately, neither qualified for the semi finals. The defending champions, Heathfield, played some extremely attractive football and won the tournament again.

### Netball Festivals

The U11 netball festival that was rained off last week will now take place on Friday 12 November. The U10 netball festival that was due to be held on 15 October will not be taking place any more, as GSAL had too few entries.

### Next Week's Matches

On Wednesday 13 October, the U11 and U10 netball teams will play Westville House at home, starting at 2.15pm. Team members will be able to go home at the normal end of school time. Parents are always very welcome to support our teams.
