16.00pm –18.00pm	<b>Finish crafts, free play, quiet time including TV/Video</b>	<b>Finish crafts, free play, quiet time including TV/Video</b>

Please note:

- 1) The above is just the format and timings of a typical day - our staff and coaches from PE Partners are very flexible and adapt the itinerary to the needs of the children (and the weather!) that are booked in on that day.
- 2) Where possible groups are split between our younger children (Nursery and Reception) and our older children (KS1 and 2).
- 3) Where there is a Sports session, the younger children will be introduced to a particular sport in an age appropriate way e.g. throwing and catching. For the older children the emphasis will be on developing a particular skill during the week. For example, for football the 1st day would be dribbling and close control, 2<sup>nd</sup> day improving passing, 3<sup>rd</sup> day receiving the ball, 4<sup>th</sup> day improving shooting.

\*If you are booking your child into the club it would be helpful for our planning if you could indicate on the registration form if your child has a favourite sport – we can then aim to ensure that the most popular sport for the children booked in that day is covered.
